**Next week's online** speaker is Bruxy Cavey, currently lead Pastor at the Meeting House in Oakville, ON. Bruxy's teachings are quite relevant to what is happening in our daily lives today and he has a unique way to bring the Gospel (Jesus Christ) to folks who are seeking and also to believers that maybe just need to be tweaked a bit.

Bruxy is more of a teacher than a preacher, using very intriguing questions to get us to dig into the Bible and see what we can find to apply to our problems of today. The Meeting House is unique as well, it is an old movie theater that is now a church! The sermons are projected and shared live online to different Meeting House locations across Ontario. The Meeting House is part of The Be In Christ Church Canada, formerly called The Brethren In Christ. Josslyn Hagen has been attending the Meeting House since going to Sheridan College in Oakville and really finds Bruxy interesting. She also attends home church in Oakville during the week, and gets together with a group that attends the meeting house to discuss the sermon, have a time of worship and prayer.
