**SERMONS ON ADVOCACY**

**OCTOBER 3 TECHNOLOGY AND ROBOTS**

Advocacy means to speak to the government or other agencies about things that can be changed in our society for the better. Advocacy usually works better if a group works on it together. Mennonite Central Committee or Mennonite Church Canada often speak on behalf of churches here in Canada. For example, they both spoke to Parliament for conscientious objector status during World War II.

Advocacy gets into politics. I believe the church has the opportunity and obligation to speak out of our faith tradition to government policy and activity. Whenever Jesus used the term “Lord“ for himself, he was saying to Pilate, Herod and other leaders in the Empire, you are not in charge. It was a dangerous thing for Jesus to say.

Please give feedback to me or the worship committee after you are part of these worship services and sermons. We will have different perspectives on policy and activity in this world. We can and must learn from each other.

**The coordinator has** resigned from the English Second Language (ESL) held at Poole Mennonite Church this past June. We are looking for someone to fill this position. If you’re interested and would like more information, please call Janet Schultz at 519-301-3717 or email [poolemen@perth.net](mailto:poolemen@perth.net). Please submitted by Oct. 10. Please send resume to email to: [poolemen@perth.net](mailto:poolemen@perth.net) or mail to Janet Schultz 7035 Perth Rd. 121, Box 114 Millbank ON. N0K 1L0.
